**The Color of Success.  
Central Virginia's Only Independent Auto Paint Wholesaler Celebrates 40 Lustrous Years.**

Richmond, VA -- June 21, 2010 -- In 1970, Jimmy Myers and his father, James Myers, Sr., joined forces to create Auto Paint Supply Company, Inc. Their mission: to build a company that would raise the standard of excellence in automotive paint industry. Forty years, and an additional 23 employees later, that company is the only independently owned automotive (PBE) paint wholesaler in the Central Virginia service area.

"To be successful in this business, you have to be attentive to customer needs and the newest technologies," says Jimmy Myers. "Our emphasis is on being the best customer service and knowledge base available. That is what has sustained us these last forty years." His company is a leader in providing innovative products and training technology to the automotive collision repair industry. All associates are specialists in automotive paint, related equipment and car care products. An Information Technology/Technical representative is on site, and is dedicated to assisting customers with their questions and concerns.

The company has launched a newly configured Web site, AutoPaint.com, to further enhance customer service. Direct-to-employee e-mail now brings more convenience to problem solving and to placing orders. Pull-down menus make major manufacturers' Technical Data Sheets, training programs, product information and formulas readily available. Paint and body shop products are listed for easy reference. Users of the site are now provided with a list of respected collision repair companies located in the service area.

Auto Paint Supply Company, Inc. specializes in automotive paint, related equipment and car care products. The company is located at 2026-A Chamberlayne Avenue in Richmond, Virginia, with additional locations in Charlottesville and Raleigh, North Carolina. All three locations can be accessed at AutoPaint.com.

Auto Paint Supply Company, Inc. is aligned with major manufacturers of refinish systems and allied products, including Akzo Nobel and PPG. House Of Kolor specialty products and Endura industrial finishes are also represented. Allied products include complete offerings from 3M, FibreGlass Evercoat, Fusor, Norton, Sata, Sem, and others.
